CHURCHES ON THE MOVE CONFERENCE

Last year 10% of the United Methodist Churches in Missouri participated in one of the Move Conferences. Now we're at it again. St. Paul's of Joplin and First Church of Sedalia are teaming up to offer **two** identical conferences with a North and South location. What happens when permission giving meets possibility and creativity meets zany? We're not exactly sure, but you can count on it being anything but dull!

With a deep desire to **lead people to an active faith in Jesus Christ** these two ministries have soared over the last ten years to be some of the fastest growing United Methodist congregations in the state. Following some simple, yet well-tested principles each congregation has grown by over 300% and most of the people are new believers.

THE CHURCHES ON THE MOVE Conference will be presented on **Monday, September 17 from 10 a.m. to 3 p.m. at St. Paul's in Joplin** and then again on **Monday, September 24 from 10 a.m. to 3 p.m. at First Church in Sedalia**. Both locations will offer ideas and possibilities of what could be your next move! So pick your day and location and bring yourself or a whole team of people for a memorable day of learning! **Regardless of the size of your congregation we think you will find plenty of challenging information and insight offered to help you go get your move on.**
